We are holding our annual branch show in the marquee near the tearoom at Ramster Gardens. Our show is open to all visitors to Ramster as well as RCMG members.

It is your branch show, small, friendly, and ideal for the first-time exhibitor. Give it a go!

Exhibitors from any branch are very welcome.

It does not matter if you do not know the name of your entry, although it does speed things up if you do know and can write that down before you come.

Everyone will be able to enjoy morning coffee and lunch to buy from a selection of sandwiches and cakes in the tearoom. Entry to the garden is free for RCMG Members.

Any number of entries is permitted, and exhibitors may enter more than one entry in any class. Please turn up on the day with your exhibit between 08.00am and 10.30am. There is no requirement to notify us in advance if you are entering. There will be a charge of £7.00 per exhibitor to cover our expenses. Our stewards are helpful and will help you place your exhibit in the correct class and guide you in exhibiting if you are a first-time exhibitor. You may find it helpful to bring a folding table for your exhibit preparation and a watering can. Vases are provided. Spray exhibits are to be no more than 18" from the top of the vase.
