Please note:

This entry form is to provide information regarding the number of entries that you hope to enter in the competition. This information will enable us to plan the layout for the show benches. If you find that you can add to your entries on the day or need to alter the number of entries, please do not worry. You may only enter one truss or spray of an individual species or hybrid, but please bring along any additional spare material which can be used to form the background displays around the

competition area.
